1. As a Bidder, placing a bid is a binding contract between you and the Owner/Seller and the bid cannot be retracted. Once you place a bid, and if you win, you will be obligated to buy the product at the said price you indicated in your bid. Placing a bid on this Site, and winning, then not paying for the product is illegal in most states and prosecution can result. Failure to honor the winning bid by the stated deadline will result in permanent bidder removal from the Site and future online auctions, at auctioneer's sole and absolute discretion.

2. Bidders are responsible for any bids placed under your User ID and password. The security of your Bidder information is your sole responsibility as you, the Bidder, will be responsible for any and all bids placed under your user account. The bidding will proceed in the bid increments that were established for that lot.

4. The highest and final bidder shall be designated at the end of each online auction. Auctioneer reserves the right to reopen bidding if a dispute arises between two or more bidders. The Auctioneer's designation of the winning bidder shall be final.

Auctioneer reserves the right to terminate Bidder registration and use of the auction Site and impose limits on certain features of the auction Site or restrict Bidder's access to, or use of, part or the entire Site without notice or penalty.

6. **Dynamic Ending.** Each auction item in an online auction has a specific closing time and the ending time for each item is Dynamic (Extends Automatically) and will reset to 5 minutes if a bid is placed within the last 5 minutes of the item closing time. This will continue until there are no bids on that item for 5 minutes.

### **4. Electronic Notification**

Auctioneer emails a weekly newsletter or email blast notifying its bidders of the upcoming auctions and important information.
