BIDDER SCREEN

Below is an example of the bidder screen for Contents.

If you click the title (green arrow) the screen to the right will display with more details.

A. You can select the current asking price by clicking the blue bid button. Or, you have 1 of 3 ways to bid.

B. To the right of the blue BID button, click the white drop down arrow. This will give you bidding options.

1. You can bid the **current amount**.
2. You can bid a **specific amount**.
3. You can create a **maxbid**. This will let the system bid up to your maxbid. This feature works well if you are not able to be in front of your computer/phone during the auction.

When placing a bid, click the blue button stating the current bid (i.e. BID \$100.00), then you must click **CONFIRM BID \$100.00** for your bid to officially be placed. You will receive an email if you are outbid.

The winning bidder for Real Estate will be contacted by the Auction Manager. They will assist in contract signing and coordination of wire transfer or drop off of the Earnest Money deposit.

A winning bidder for Contents will be contacted if there is an issue with the credit card on file for payment once the auction has concluded or if the item(s) purchased has a separate removal time.
