This document is not valid unless signed and stamped with Ambrosed seal.

There was no attempt in the field to determine the location of or the extent of possible encroachments beneath the surface. There was no request for or attempt made to locate nor show on this plat any improvements on this tract of land. I hereby certify that all parts of this survey and drawing have been completed in accordance with the current requirements, of the Standards of Practice for Surveying in the State of Alabama to the best of my knowledge, information, and belief.
