
Sec. 130-161. Creation of districts.

For the purpose of this chapter, the city is divided into the following districts:

R-1 District: One-Family Residence District.

R-2 District: Multiple-Family Residence District.

R-T District: Residential Townhouse and Zero Lot Line Dwelling District.

B-1 District: Neighborhood Business District.

B-2 District: General Business District.

B-3 District: Central Business District.

B-4 District: Design Review District.

I-1 District: Light Industry District.

I-2 District: Heavy Industry District.

O-1 District: Office District.

Supplemental district:

Overlay District.

(Code 1982, § 24-20; Ord. No. O-33-05, § 2, 3-29-2005; Ord. No. O-04-06, 1-17-2006)

Sec. 130-311. Conditions governing permitted uses.

Permitted uses shall be governed by conditions set out in the three categories following:

- (1) **Uses by right.** The uses listed in section 130-312 are permitted subject to the conditions specified. (R)
- (2) **Uses requiring planning approval.** The uses listed in section 130-312 are permitted upon approval of location and the site plan thereof by the planning commission as being appropriate with regard to transportation and access, water supply, waste disposal, fire and police protection, and other public facilities, as not causing undue traffic congestion or creating a traffic hazard, and as being in harmony with the orderly and appropriate development of the district in which the use is located. (P)
- (3) **Special exception uses.** The uses listed in section 130-312 are subject to the same approval of location and site plan as uses requiring planning approval; in addition, these uses are declared to possess such characteristics of unique or special form that each specific use shall be considered an individual case and shall be subject to approval of the board of adjustment in accordance with the provisions of article II of this chapter governing special exceptions. (X)

(Code 1982, § 24-70)

Sec. 130-312. Schedule of uses.

(a) The uses permitted in each of the types of districts are listed in the schedule in this section. For any use not specifically listed, the building official shall make a determination of the districts in which such use shall be permitted as a use by right, a use requiring planning approval or a special exception use on the basis of its similarity in nature and character to uses that are listed.

(b) Except as noted, every use shall be conducted entirely within a completely enclosed structure. Where marked by an asterisk (*), the use need not be conducted entirely within a completely enclosed structure.

*Indicates that use need not be conducted entirely within a completely enclosed structure.

(c) All uses not listed are prohibited.

(d) Every use marked by two asterisks (**) shall be subject to the conditions listed in the table in subsection (f) of this section.

**Conditions: Storage use that is allowed must be related to a retail or office use on the premises; cap does not apply to second or third floors.

(e) Every use marked by three asterisks (***) shall be subject to the conditions listed in the table in subsection (f) of this section.

***Conditions: Automobiles may not be stacked and total area covered by vehicles and any existing or future buildings may not exceed 75 percent of property area. Privacy fence seven feet high and adequate to obstruct view, noise and passage of persons must be erected along any property right-of-way that is adjacent to public street or residential use. Business owners will have 120 days to come into compliance with these requirements. Owners may apply for an extension to this deadline if substantial progress has been made toward compliance. "Substantial progress" will be defined as situations where at least 50 percent of non-complying vehicles have been removed and all of the required fencing has been installed.

(e1) Automotive uses, with the exception of automobile and truck sales and repair, automobile storage: commercial parking lots, automobile and truck wrecker towing service, automobile wrecking, dismantling or salvage, and automobile and truck fleet shops and garages shall be prohibited from storing vehicles, operable or inoperable, on the premises for a period not to exceed 30 days.
