- ONO ISLAND - Coastal Living at its Finest

2 Homesites Offered Individually

Ono Island is one of the most exclusive and sought after communities on the Gulf Coast and provides residents with a highly desired lifestyle. These homesites are within a short walk to community and recreation centers that feature playgrounds, tennis and basketball courts, indoor and outdoor pools, and fitness center. Ono Island's private boat launch and fire station also lie only a short half mile from this prime location. Investing in Orange Beach is not just about the financial returns; it's also about the quality of life it offers. Relaxed lifestyle, excellent school systems, friendly community, and numerous activities make this the ideal location to raise a family or retire. Whether a full-time residence or second home, enjoy the high standard of living that Ono Island provides.
