Ono Island is loved for its beauty, amenities, and gated exclusivity. This move-in ready and furnished 4-bedroom home sits directly on Bayou St. John and includes an adjacent deeded canal lot with newly built boat slip. The home sits on 1.66± acres that provides plenty of parking along with the 2-car garage. There are 3 levels of outdoor entertainment around back that offers gorgeous views of the water and functional recreation. The interior of the home has been updated in recent years and is equipped with beautiful hardwoods in the main living area. The ground level office or bonus room could easily be converted to a 5th bedroom and the adjacent bathroom is convenient for coming in from your private beach that is only a few steps away. The canal lot and boat slip which is also just a short walking distance provides quick open water access completely unobstructed by any bridge overpasses.
