- If some items do not apply to your property, check "NA" (Not Applicable). If you do not know the answer to a question, you should check "UNK" (Unknown).

Note to Seller(s):

A knowingly false or incomplete statement by the seller on this form may subject the seller to claims by the buyer prior to or after the transfer of title. In the event a seller fails to perform the statutory duty to deliver a PCDS prior to the signing by the buyer of an offer to purchase or a binding contract of sale, the buyer will be allowed (upon the subsequent receipt of a PCDS or material amendment thereto) to terminate the contract (including a full return of earnest money) by delivery of a written notice of termination within three (3) days after in-person delivery of a PCDS (or material amendment thereto), or within five (5) days after delivery by deposit in the mail of a PCDS (or material amendment thereto).

To terminate the contract, you must deliver to the seller or the seller's agent a written notice of termination within three (3) days of your in-person receipt of a PCDS (or material amendment thereto) from the seller (or within five (5) days of the seller's depositing a PCDS (or material amendment thereto) in the mail to you).

Property Disclosure Statement

Reference Question 7. Basement Water Penetration

When we purchased the property in 2023, it was disclosed that there was a water leak in the basement/wine cellar room during heavy rains. Since we purchased the property, we identified the source of the leak via an old, abandoned drain line that was not sealed properly. That drain line was sealed properly and we have not had that problem since.
