Please be assured that we have made every effort to provide accuracy, clarity and adequacy of detailing in developing this building plan. Please remember that our service to you is for drafting your design. The design is yours and we hold no claim to it. It is wise to carefully and completely review these plans before any construction proceeds. The Builder is responsible for all details and dimensions and must insure that these plans meet all Federal, State and local requirements in the area where it is to be built.
