AMERICAN LAND CORP.
8520 CLIFF CAMERON DR.
SUITE 450
CHARLOTTE, N.C. 28269

NORTH CAROLINA

PROTECTIVE AND RESTRICTIVE COVENANTS

CABARRUS COUNTY

KNOW ALL MEN BY THESE PRESENTS, that American Land Corporation-Charlotte, Inc., of 8520 Cliff Cameron Drive, Suite 450, Charlotte, NC 28269, a North Carolina Corporation, for the purpose of making that certain property hereinafter described, said property being owned by the undersigned, a residential area, and in consideration of the mutual covenants and the agreement herein contained and other valuable consideration, does hereby contract, covenant and agree with all persons, firms or corporations, now owning or hereafter acquiring any property in the area hereinafter described and that said property and each lot thereof shall be and is hereby subject to the following protective and restrictive covenants as to the use thereof, said covenants to run with the land by whomsoever owned or to whomsoever conveyed. The land in question covered by these covenants include:

These restrictions apply to An Exempt Plat of a Revision of Lot 5 Longview, originally recorded at Plat Book 48, Page 30 in the Cabarrus County Registry as shown at Plat Book 48 Pages 98 in the Cabarrus County Registry.

1. These covenants are to run with the land and shall be binding on all parties and all persons claiming under them for a period of thirty (30) years from the date these covenants are recorded, after which time said covenants shall be automatically extended for successive periods of ten (10) years unless an instrument signed by a majority of the then owners of the lots has been recorded agreeing to change said covenants in whole or in part.

2. All of said property shall be known and described as property intended for the use of mini-farms. All property use must conform to all Cabarrus County Zoning Ordinances or any other Government Agency guidelines. Any other uses that can be described as other than customarily residential uses, must be approved in writing by the Declarants. Declarants reserve the exclusive right to use said property owned by the Declarants for ingress and egress to other properties. No lots or land in said subdivision shall be used for ingress and egress to abutting properties without this express written consent of the Declarants. Furthermore, no lot in Longview may be subdivided without the express written consent of the Declarants. However, the Declarants reserve the right to re-subdivide and sell any lot within Longview.

A. The Declarants reserve the right to vary the above restrictions where applicable. Any variance must be approved in writing by the Declarants.

29-

0027 3. No single-story residence may be erected on any of said property with a ground floor area including finished basements of less than 1,800 square feet of heated floor space exclusive of open porches and garages. No residence of more than one story may be erected on said property with less than 900 square feet of ground floor area exclusive of open porches and garages and with less than 1,800 square feet of total heated floor space exclusive of open porches and garages. Only houses with a minimum of 1,800 square feet will be permitted on the property. No homes over two and one-half stories will be allowed on the property. Any variation of paragraphs two or three must be approved in writing by the declarants.

4. No residences may be erected on said property unless they comply with the following restrictions:

- A. All residences must be permanently affixed on a permanent foundation constructed of brick, block or concrete.
- B. All Homes shall have a minimum 5/12 roof pitch.
- C. The roof on all residences must have at least a six inch (6") overhang, exclusive of gutters.
- D. Each residence shall have an installed walkway from the driveway to the front door of the residence which is constructed with the same material as the driveway. Any variation of this restriction or materials must be approved in writing by the declarants.

5. No residence, garage or accessory structure shall be located on any lot nearer to the right-of-way of any street in said subdivision than the setback lines as shown on said recorded maps in **Plat Book 48** at **Pages 98** in the **Cabarrus County Public Registry**. No dwelling shall be erected on any lot having an area less than 32,500 square feet. No single or doublewide mobile home shall be allowed or permitted on any lot or any street in this subdivision.

6. No sheds, storage facilities, animal pens, or like kind improvements shall be placed on any lot prior to the completion of a residence without the written approval of the declarants. The garage and other accessory structures shall be constructed so that the outward appearance and structure are in keeping with the general architecture of the residence on said lot. All structures constructed upon the above described property shall be of new construction. Out buildings for animals must be approved in writing by the declarants.

7. The forty-five foot (45') easement, as shown on the recorded plat for lots 5, 6, and 7 of Longview, as well as a ten foot (10') easement along both sides of all lot lines is reserved for the installation and maintenance of waterlines and of all other utilities of every nature, kind and drainage. All other easements as set out on the aforesaid maps recorded in **Plat Book 48** at **Pages 98** are also reserved by these restrictions.

8. Within these easements, no structure, planting or other materials shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities or which may change the direction or flow of drainage channels in the easements or which may obstruct or retard the flow of water through drainage channels in the easement. The easement area of each lot and all improvements in it shall be maintained continuously by the owner of the lot except for those improvements for which the public authority or utility company is responsible.

9. No noxious, offensive or illegal activity shall be carried on upon any lot, nor shall anything be done thereon which may be or become an annoyance or nuisance to the neighborhood.

A. No timber harvesting without the express written permission of the declarants.

10. No structure of a temporary or mobile character, including trailers or mobile homes, or basements, tents, shacks, garages, barns or other outbuildings shall be used on any lot at any time as a residence, either temporarily or permanently. No motor vehicle bodies, shacks, stripped or junked vehicles shall be allowed or permitted on any lot or any street in this Subdivision. No tractor trailers (in combination or separate), dump trucks, or vehicles exceeding 10,000 pounds (5 tons-GVW) will be permitted in this subdivision, in combination or singularly, except for routine deliveries or agricultural use.
 - A. No unregistered motor vehicles, mopeds, three-wheel motor bikes, or similar motorized vehicles shall be operated or allowed within the 45' Private Easement. No motor homes, travel trailers, construction equipment or any construction materials, other recreational vehicles, school buses, vans, or large trucks may be parked, or stored within the right of way, neither on the gravel portion of the roadway nor on the shoulders of the roadway.
 - B. Registered vehicles will not be allowed to routinely park on the 45' Private Easement. Under no circumstances, in the interest of keeping grass undamaged and as healthy as possible, will any wheels or tires of a vehicle be allowed to be driven or parked off of the gravel road.
11. No sign of any kind shall be displayed to the public view on any lot except one "for sale" or "for rent", which signs shall not exceed two feet (2') by three feet (3') in size.
12. No animals, livestock or other animal of any kind shall be raised, kept or bred on any lot, except dogs, cats or other household pets, provided they shall not be kept, bred or maintained for any commercial purposes, and provided further that animals so kept will at all times be kept on the owner's lot unless they are on a leash under the control of the owner or custodian. However lots will be allowed to have one (1) horse, cow, or goat per acre, subject to city or county ordinances. Lots shall be allowed to have chickens so long as they are for personal use, however, no more than two roosters shall be allowed on a lot. Lots shall also be exempt from any other animal restrictions with the written consent of the declarants. Subject to city or county ordinances.
 - A. Animals that are approved per these restrictions may be kept on Lots 6 and 7 for a period of two years prior to the start of construction. However, in a situation of multiple lots owned by one owner, this restriction shall apply to only one of the multiple lots purchased by that owner, being the lot of his choice.
13. Each dwelling unit shall be equipped with an approved sanitary septic tank system located and constructed in accordance with the requirements, standards and recommendations of the Cabarrus County Health Department. Outside privies are expressly forbidden, except during construction.
14. No structure of any nature shall be erected on any lot that uses concrete blocks exposed on the exterior of the building.
15. No lot may be used as a storage area or maintained as a dumping ground for rubbish, trash, garbage or other refuse. All rubbish, trash, garbage or other refuse shall be kept in sanitary containers, which containers shall be kept in a clean and sanitary condition and shall be screened from public view. All incinerators or other equipment for the storage or disposal of such material shall be kept in a clean and sanitary condition.
16. No storage tanks shall be erected or placed on any building lot above ground unless it is sealed from view with a structure of a nature in keeping with that of the residence lot.
17. In the event any residential dwelling shall be placed upon more than one lot, then the combination of said lots shall be considered as one lot, and these restrictions and covenants shall apply to said lots in combination as if the same were only one lot; and any interior lot line easement which shall affect the

0629 Construction of a residential dwelling upon the combination of two or more lots, unless then in use, shall be vacated.

18. No lot(s) in the above described subdivision shall be used as a road or street to furnish ingress, egress and regress to other lands outside of said subdivision, without express written permission from the Declarants.

19. Nothing herein contained shall be construed as imposing any covenants or restrictions on any property of the parties hereto other than those properties that have been specifically described herein.

20. All mailboxes, driveways and driveway pipes shall be installed and constructed in accordance with those standards established by the North Carolina Department of Transportation for secondary residential streets.

- A. All Mailboxes shall be of the same quality and construction. Once installed, mailbox shall become a permanent property fixture.
- B. Mailbox shall be installed so that the mailbox door is six inches off of the edge of the gravel, so as to prevent the mail carrier from driving off of the gravel during mail delivery.
- C. All driveways must be constructed of a minimum material of gravel.
- D. In the construction of the driveway, any culvert to be installed to cross any ditch in the easement must be constructed of **corrugated metal pipe which diameter must be approved in writing by the declarants**. In no circumstance during the construction of the driveway or placement of the culvert shall anyone **cut or remove any matting which has been placed in the ditches**.
- E. Piping of the entire ditch parallel to the road is allowed but must be approved and installed to N.C.D.O.T. specifications and also approved in writing by the declarants.

21. No owner of said property shall have any claim or cause of action against Grantor, its affiliates or its licensees arising out of the exercise or non-exercise of any easement or other right reserved hereunder or referred to herein.

22. It is specifically agreed that the undersigned reserves unto itself, its successors and assigns the right to vary the foregoing protective covenants in an amount up to, but no more than 10% as set out in the above restrictions by the execution and recordation of a written instrument clearly setting forth the permitted variance.

23. Amendment. These restrictions and covenants may be amended or revoked, either in whole or in part, by an instrument in writing executed by the declarants and recorded in the office of the register of deeds for Cabarrus County, North Carolina so long as the declarants shall still own any lot or lots in said subdivision; and after such time as the declarants shall no longer own any lot or lots in the said subdivision, any such amendment or revocation may be made and shall be fully enforceable and effective when dully executed by a majority of the then owners of the lots of said subdivision and recorded in the office of register of deeds for Cabarrus County, North Carolina.

24. No delay or failure on the part of Grantor to invoke an available remedy in respect to a violation of any provision contained herein or referred to herein shall be held to be a waiver by Grantor of any right available to it upon the recurrence or continuance of said violation or the occurrence of a different violation.

25. If any of the parties hereto or any of their heirs or assigns shall violate or attempt to violate any of the covenants herein, it shall be lawful for any other person or persons, firm or corporation owning any of said lots (or any interest therein) to prosecute any proceeding at law or in equity against the person, persons, firm or

0000 violation violating or attempting to violate any such covenant and either to prevent the violation or to recover damages or other compensation for such violation.

26. Access to lots 5, 6, and 7 of Longview shall be via an extension of the gravel road known as Haystack Dr. to the gravel driveway located within the 45' Easement which services lots 5, 6, and 7 of Longview as shown on the Exempt Plat of a Revision of Lot 5 of Longview. The Declarant will construct the connection from Haystack Dr. to the existing gravel driveway located within 45' Private Easement within 60 days of recording the plat for lots 5, 6, and 7 of Longview. Owners of lots 5, 6, and 7 shall be solely responsible for the maintenance of said 45' easement. All maintenance costs for said easement (except those costs associated with the maintenance of the bridge over Black Run Creek) shall be split evenly among lots 5, 6, and 7 of Longview as is more fully described in the Easement Maintenance Agreement. The costs for maintenance of the bridge shall be split evenly among the owners of lots #6 and #7. If one owner owns more than one parcel, they shall pay the amount that would be required if the parcels were owned by different owners. Decisions for maintenance and the level of maintenance which will be done to the easement shall be by majority vote of all owners of land abutting the easement. Each individual parcel of land shall count as one vote. If one owner owns two parcels, they shall have two votes. The costs and responsibilities for the use of Haystack Dr. are more fully described in the Easement Maintenance Agreement for Lot 5, 6, and 7 of Longview.

The 45' private easement and Haystack Dr. have not been constructed to minimum standards for subdivision streets adopted by the North Carolina Department of Transportation for acceptance to the North Carolina State Highway System and shall be maintained by the owners of lots 5, 6, and 7 of Longview.

28. Invalidation of any one or more of the foregoing restrictions and covenants by judgment or court order shall in no way affect any of the other provisions which shall remain in full force and effect.

IN TESTIMONY WHEREOF, American Land Corporation-Charlotte, Inc. has caused these Protective and Restrictive Covenants to be executed in it's Corporate name by it's President and attested by it's Secretary and sealed with it's Corporate Seal, this the day and year first above written.

NORTH CAROLINA

PROTECTIVE AND RESTRICTIVE COVENANTS

CABARRUS COUNTY

KNOW ALL MEN BY THESE PRESENTS, that American Land Corporation-Charlotte, Inc., of 8520 Cliff Cameron Drive, Suite 450, Charlotte, NC 28269, a North Carolina Corporation, for the purpose of making that certain property hereinafter described, said property being owned by the undersigned, a residential area, and in consideration of the mutual covenants and the agreement herein contained and other valuable consideration, does hereby contract, covenant and agree with all persons, firms or corporations, now owning or hereafter acquiring any property in the area hereinafter described and that said property and each lot thereof shall be and is hereby subject to the following protective and restrictive covenants as to the use thereof, said covenants to run with the land by whomsoever owned or to whomsoever conveyed. The land in question covered by these covenants include:

These restrictions apply to Lot Numbers 1 through 5 of Longview as shown at Plat Book 48
Pages 30 in the Cabarrus County Registry.

1. These covenants are to run with the land and shall be binding on all parties and all persons claiming under them for a period of thirty (30) years from the date these covenants are recorded, after which time said covenants shall be automatically extended for successive periods of ten (10) years unless an instrument signed by a majority of the then owners of the lots has been recorded agreeing to change said covenants in whole or in part.

2. All of said property shall be known and described as property intended for the use of mini-farms. All property use must conform to all Cabarrus County Zoning Ordinances or any other Government Agency guidelines. Any other uses that can be described as other than customarily residential uses, must be approved in writing by the Declarants. Declarants reserve the exclusive right to use said property owned by the Declarants for ingress and egress to other properties. No lots or land in said subdivision shall be used for ingress and egress to abutting properties without this express written consent of the Declarants. Furthermore, no lot in Longview may be subdivided without the express written consent of the Declarants. However, the Declarants reserve the right to re-subdivide and sell any lot within Longview.

A. The Declarants reserve the right to vary the above restrictions where applicable. Any variance must be approved in writing by the Declarants.

3. No single-story residence may be erected on any of said property with a ground floor area including finished basements of less than 1,800 square feet of heated floor space exclusive of open porches and

29-

0089 pages. No residence of more than one story may be erected on said property with less than 900 square feet of ground floor area exclusive of open porches and garages and with less than 1,800 square feet of total heated floor space exclusive of open porches and garages. Only houses with a minimum of 1,800 square feet will be permitted on the property. No homes over two and one-half stories will be allowed on the property. Any variation of paragraphs two or three must be approved in writing by the declarants.

4. No residences may be erected on said property unless they comply with the following restrictions:

- A. All residences must be permanently affixed on a permanent foundation constructed of brick, block or concrete.
- B. All Homes shall have a minimum 5/12 roof pitch.
- C. The roof on all residences must have at least a six inch (6") overhang, exclusive of gutters.
- D. Each residence shall have an installed walkway from the driveway to the front door of the residence which is constructed with the same material as the driveway. Any variation of this restriction or materials must be approved in writing by the declarants.

5. No residence, garage or accessory structure shall be located on any lot nearer to the right-of-way of any street in said subdivision than the setback lines as shown on said recorded maps in **Plat Book 48** at **Pages 30** in the **Cabarrus County Public Registry**. No dwelling shall be erected on any lot having an area less than 32,500 square feet. No single or doublewide mobile home shall be allowed or permitted on any lot or any street in this subdivision.

6. No sheds, storage facilities, animal pens, or like kind improvements shall be placed on any lot prior to the completion of a residence without the written approval of the declarants. The garage and other accessory structures shall be constructed so that the outward appearance and structure are in keeping with the general architecture of the residence on said lot. All structures constructed upon the above described property shall be of new construction. Out buildings for animals must be approved in writing by the declarants.

7. A thirty foot (30') easement is reserved along the front lot line of each lot as well as a ten foot (10') easement which is reserved along the rear lot line and along each side of each lot line for the installation and maintenance of waterlines and of all other utilities of every nature, kind and drainage. All other easements as set out on the aforesaid maps recorded in **Plat Book 48** at **Pages 30** are also reserved by these restrictions.

8. Within these easements, no structure, planting or other materials shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities or which may change the direction or flow of drainage channels in the easements or which may obstruct or retard the flow of water through drainage channels in the easement. The easement area of each lot and all improvements in it shall be maintained continuously by the owner of the lot except for those improvements for which the public authority or utility company is responsible.

9. No noxious, offensive or illegal activity shall be carried on upon any lot, nor shall anything be done thereon which may be or become an annoyance or nuisance to the neighborhood.

A. No timber harvesting without the express written permission of the declarants.

10. No structure of a temporary or mobile character, including trailers or mobile homes, or basements, tents, shacks, garages, barns or other outbuildings shall be used on any lot at any time as a residence, either temporarily or permanently. No motor vehicle bodies, shacks, stripped or junked vehicles shall be allowed or permitted on any lot or any street in this Subdivision. No tractor trailers (in combination or separate), dump trucks, or vehicles exceeding 10,000 pounds (5 tons-GVW) will be permitted in this subdivision, in combination or singularly, except for routine deliveries or agricultural use. However, Lot #1 will be allowed to have two dump trucks. These dump trucks must be screened from the view of Lot #2. This screening must be approved in writing by the Declarants.
- A. No unregistered motor vehicles, mopeds, three-wheel motor bikes, or similar motorized vehicles shall be operated or allowed within the private right of way known as Haystack Drive. No motor homes, travel trailers, construction equipment or any construction materials, other recreational vehicles, school buses, vans, or large trucks may be parked, or stored within the right of way, neither on the gravel portion of the roadway nor on the shoulders of the roadway.
- B. Registered vehicles will not be allowed to routinely park on any street in Longview. Under no circumstances, in the interest of keeping grass undamaged and as healthy as possible, will any wheels or tires of a vehicle be allowed to be driven or parked off of the gravel road.
11. No sign of any kind shall be displayed to the public view on any lot except one "for sale" or "for rent", which signs shall not exceed two feet (2') by three feet (3') in size.
12. No animals, livestock or other animal of any kind shall be raised, kept or bred on any lot, except dogs, cats or other household pets, provided they shall not be kept, bred or maintained for any commercial purposes, and provided further that animals so kept will at all times be kept on the owner's lot unless they are on a leash under the control of the owner or custodian. However lots will be allowed to have one (1) horse, cow, or goat per acre, subject to city or county ordinances. Lots shall be allowed to have chickens so long as they are for personal use, however, not more than two roosters shall be allowed on a lot. Lots shall also be exempt from any other animal restrictions with the written consent of the declarants. Subject to city or county ordinances.
13. Each dwelling unit shall be equipped with an approved sanitary septic tank system located and constructed in accordance with the requirements, standards and recommendations of the Cabarrus County Health Department. Outside privies are expressly forbidden, except during construction.
14. No structure of any nature shall be erected on any lot that uses concrete blocks exposed on the exterior of the building.
15. No lot may be used as a storage area or maintained as a dumping ground for rubbish, trash, garbage or other refuse. All rubbish, trash, garbage or other refuse shall be kept in sanitary containers, which containers shall be kept in a clean and sanitary condition and shall be screened from public view. All incinerators or other equipment for the storage or disposal of such material shall be kept in a clean and sanitary condition.
16. No storage tanks shall be erected or placed on any building lot above ground unless it is sealed from view with a structure of a nature in keeping with that of the residence lot.
17. In the event any residential dwelling shall be placed upon more than one lot, then the combination of said lots shall be considered as one lot, and these restrictions and covenants shall apply to said lots in combination as if the same were only one lot; and any interior lot line easement which shall affect the construction of a residential dwelling upon the combination of two or more lots, unless then in use, shall be vacated.

18. No lot(s) in the above described subdivision shall be used as a road or street to furnish ingress, egress and regress to other lands outside of said subdivision, without express written permission from the Declarants.
19. Nothing herein contained shall be construed as imposing any covenants or restrictions on any property of the parties hereto other than those properties that have been specifically described herein.
20. All mailboxes, driveways and driveway pipes shall be installed and constructed in accordance with those standards established by the North Carolina Department of Transportation for secondary residential streets.
- A. All Mailboxes shall be of the same quality and construction. Once installed, mailbox shall become a permanent property fixture.
 - B. Mailbox shall be installed so that the mailbox door is six inches off of the edge of the gravel, so as to prevent the mail carrier from driving off of the gravel during mail delivery.
 - C. All driveways must be constructed of a minimum material of gravel.
 - D. In the construction of the driveway, any culvert to be installed to cross any ditch in the easement must be constructed of **corrugated metal pipe which diameter must be approved in writing by the declarants**. In no circumstance during the construction of the driveway or placement of the culvert shall anyone **cut or remove any matting which has been placed in the ditches**.
 - E. Piping of the entire ditch parallel to the road is allowed but must be approved and installed to N.C.D.O.T. specifications and also approved in writing by the declarants.
21. No owner of said property shall have any claim or cause of action against Grantor, its affiliates or its licensees arising out of the exercise or non-exercise of any easement or other right reserved hereunder or referred to herein.
22. It is specifically agreed that the undersigned reserves unto itself, its successors and assigns the right to vary the foregoing protective covenants in an amount up to, but no more than 10% as set out in the above restrictions by the execution and recordation of a written instrument clearly setting forth the permitted variance.
23. Amendment. These restrictions and covenants may be amended or revoked, either in whole or in part, by an instrument in writing executed by the declarants and recorded in the office of the register of deeds for Cabarrus County, North Carolina so long as the declarants shall still own any lot or lots in said subdivision; and after such time as the declarants shall no longer own any lot or lots in the said subdivision, any such amendment or revocation may be made and shall be fully enforceable and effective when dully executed by a majority of the then owners of the lots of said subdivision and recorded in the office of register of deeds for Cabarrus County, North Carolina.
24. No delay or failure on the part of Grantor to invoke an available remedy in respect to a violation of any provision contained herein or referred to herein shall be held to be a waiver by Grantor of any right available to it upon the recurrence or continuance of said violation or the occurrence of a different violation.
25. If any of the parties hereto or any of their heirs or assigns shall violate or attempt to violate any of the covenants herein, it shall be lawful for any other person or persons, firm or corporation owning any of said lots (or any interest therein) to prosecute any proceeding at law or in equity against the person, persons, firm or corporation violating or attempting to violate any such covenant and either to prevent the violation or to recover damages or other compensation for such violation.

26. Haystack Drive has been constructed as a private street. The street will be constructed by American Land Corporation-Charlotte, Inc. (ALC-CI). ALC-CI shall maintain Haystack Drive until such time as lots 1 - 4 of Longview are sold at which point maintenance of Haystack Drive shall be the sole responsibility of the owners of lots 1 - 4 of Longview. All maintenance costs shall be split evenly among all property owners abutting Haystack Drive as more fully described in the Street and Right of Way Maintenance Agreement. If one owner owns more than one parcel, they shall pay the amount that would be required if the parcels were owned by different owners. Decisions for maintenance and the level of maintenance which will be done to Haystack Drive shall be by majority vote of all owners of land abutting Haystack Drive. Each individual parcel of land shall count as one vote. If one owner owns two parcels, they shall have two votes.

This private street will not be constructed to minimum standards for subdivision streets adopted by the North Carolina Department of Transportation for acceptance to the North Carolina State Highway System and shall be maintained by the owners of property abutting Haystack Drive.

28. Invalidation of any one or more of the foregoing restrictions and covenants by judgment or court order shall in no way affect any of the other provisions which shall remain in full force and effect.

IN TESTIMONY WHEREOF, American Land Corporation-Charlotte, Inc. has caused these Protective and Restrictive Covenants to be executed in it's Corporate name by it's President and attested by it's Secretary and sealed with it's Corporate Seal, this the day and year first above written.
