GREAT LOCATION FOR LEASE! Up to approx. 11 acres available for lease. This vacant land is cleared and ready for you to capitalize on the enormous amount of frontage on busy Interstate 77. The acreage has too many potential uses to list! Located conveniently just off exit #85 (NC Hwy 268). List price/lease price is for all approx. 11 acres and a 3 year lease term. Call listing agent for more details and for other potential lease structures.
