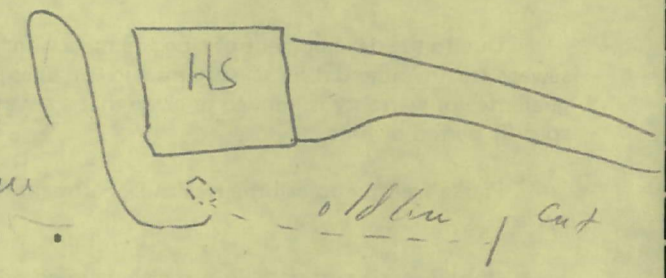
IMPROVEMENT PERMIT

7-1-98



NOTICE: The above are minimum specifications for a sewage disposal system on the above captioned property. This permit is subject to compliance with local zoning and building regulations and all the provisions of the Laws and Rules for Sanitary Sewage Collection, Treatment, and Disposal, of the North Carolina Administrative Code.

This permit may not be altered without written permission from a representative of the Davidson County Health Department. System must be installed within 5 years of date of issuance. This permit is subject to revocation if site plans or the intended use changes.

I understand the requirements of this permit and the information I have provided is accurate to the best of my knowledge.

STREET

I hereby make application to the Davidson County Health Department for a repair improvement permit on my onsite wastewater disposal system for the property described above and authorize Health Department representatives to go on such property for evaluation purposes. The issuance of a permit does not relieve me from compliance with any and all other relevant laws or regulations. As owner or his authorized agent, I covenant that the contents of this application are true and represent the maximum facilities on the property.

System shall be installed within 5 years of improvement permit issuance date. The permit is subject to revocation if site plans or the intended use changes.
