Bid - Manually place a bid (current or asking price)

Bid a specific amount - Enter a custom bid (Please note: Inserting a bid here will automatically update the current bid, regardless whether the reserve price has been achieved).

Create Maxbid - Allows the system to bid up to your maxbid

2 Insert your amount and select Maxbid

If the bidding goes beyond the set max bid, the bidder will be required to either place manual bids or alternatively reset the max bid to a higher nominated price.

* **Please note:** If you place bids on more than one asset, on conclusion of the auction, if you are the successful bidder on multiple assets, you will be liable and invoiced on all assets won. **No exceptions.**
