

HOW TO REGISTER

Follow these simple steps to register and bid on our online auction:

- 1 Go to www.tirhani.co.za

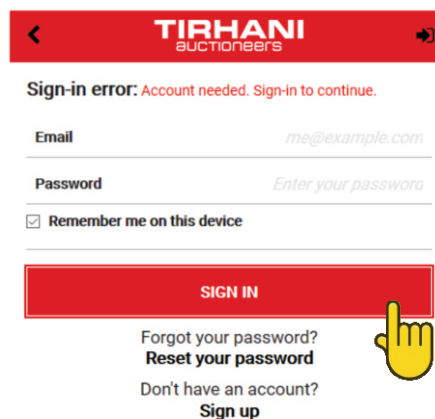

- 2 Click on PROPERTY ONLINE AUCTION

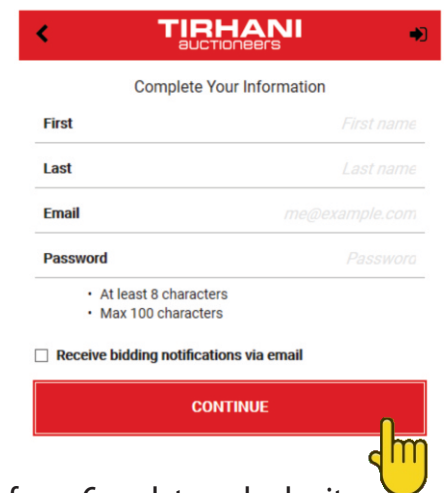

- 3 Register for the auction
(Right hand side of your screen)

- 4 Sign in or Register

- 5 Complete & Submit

- 5 Download the bidder participation form. Complete and submit.
- 6 To be granted access, email the following to auction@tirhani.co.za:
- Copy of your ID
 - Proof of residence (not older than 3 months)
 - Proof of payment (Registration deposit R10 000.00)

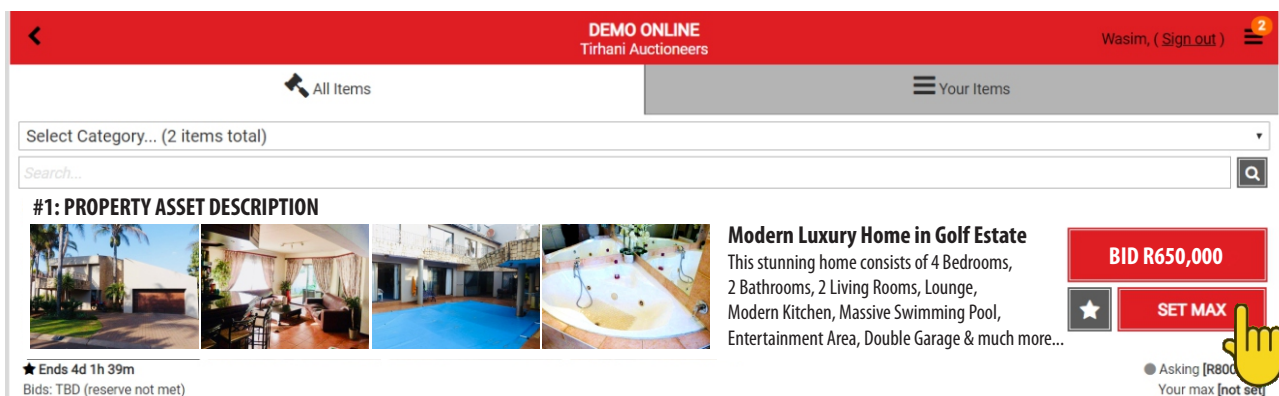

* Once all the above have been verified, you will receive a notification stating you have been granted access.

AUTOMATED BIDDING

For those who do not have the time for the auction to conclude, due to work or personal constraints, we have a fantastic tool to assist you.

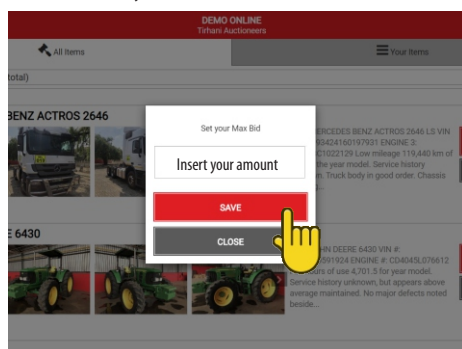

- 1 Click the "SET MAX" tab.

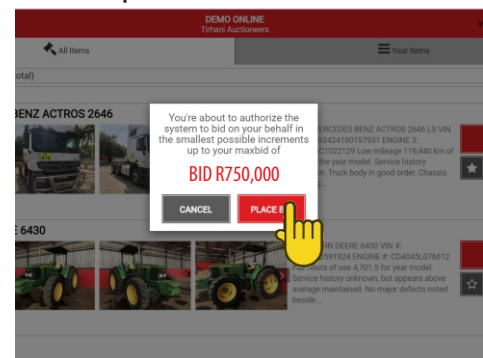

This gives you the buyer, an added advantage of allowing the system to automatically place bids on your behalf until it reaches the amount set as "max bid".

If the bidding goes beyond the set max bid, the bidder will be required to either place manual bids or alternatively reset the max bid to a higher nominated price.

- 2 Insert your amount.

- 3 Click place bid.

* **Please note:** If you place bids on more than one property, on conclusion of the auction, if you are the successful bidder on multiple properties, you will be liable and invoiced on all assets won. **No exceptions.**

BIDDING CENTRE

Tirhani Auctioneers would like to make this an effortless experience and have set up bidding centres to accommodate your online bidding requirements. We have set up a bidding centre at the following venues:

 1 Centex Close, Sandton

- Laptops and/or iPads will be made available.
- Tirhani staff will be on standby should you require any assistance.
- Our onsite IT specialist will be on-hand on these days should there be any technical difficulties.

MOBILE SERVICE UNITS

Tirhani Auctioneers mitigates online auction IT challenges by offering potential buyers online assistance by setting up bidding centres at auction sites, at its premises, at the premises of its associates, or at neutral venues.

We have invested in two air- conditioned Mobile Service units (MCUs) with the following features:

- 2 x Workstations with mounted typist style chairs, cupboards and lockable document storage.
- Computer server with cooling fan.
- 10KVA generator with sound proofing and UPS unit for energy back-up.

We deploy the MSU's to auction sites as and when required to assist buyers to register for online auctions. Although we do not encourage it, Tirhani Auctioneers have made this option possible due to the COVID-19 pandemic.
