Auction Dates:

Online Only Bidding for the auctions will close at the dates listed on the website.

Bidding will begin closing on each auction at the times specified above at the rate of 1 item per minute. The closing time of each lot is subject to Weeks Auction Group's internet bidding platforms auto-extend feature. When time remaining to bid on an item falls below five minutes, a new bid being placed on that item will result in the bidding clock being reset to five minutes. Auto-extend bidding will continue on an item by item basis until such time as no further bids are received.

To simplify the bidding process, we encourage bidders to download the Weeks Auction Group mobile bidding App, available in the iTunes App Store or on Google Play.
