# **COVID-19 AUCTION SAFETY PROTOCOLS**

**WE LOOK FORWARD TO SEEING YOU SOON !**

We are making every effort to institute policies that will protect all auction participants. Seating is limited due to strict COVID-19 regulations. Registered bidders must be given priority access and seating when available. While the municipality will endeavor to accommodate everyone, space is not guaranteed for general attendees who are not bonafide bidders. We respectfully request your cooperation so we can safely streamline the auction process. Thank you.

**SYMPTOMATIC-** Please do not attend if you are sick, have recently been sick or are displaying any COVID-19-like symptoms.

**FACE COVERINGS AND GLOVES-** All attendees must bring and wear a face mask at all times. This applies both to indoor and outdoor auctions. High Bidders must wear gloves when executing documents.

**SOCIAL DISTANCING-** Ensure you meet social distancing standards by staying 6 feet apart from all other individuals.

**OPEN HOUSES-** In the case of property inspections, the number of people entering a building simultaneously will be limited. Please be patient with auction and municipal staff.

**REGISTRATION-** Please have proper identification and deposit check(s) easily available. Only bank checks (treasurer's, cashier's or certified) will be accepted. **NO CASH.** Additional policies may be instituted to ensure everyone's safety.
